BRAD JACOBS IN THE HOUSE!

Looking good juniors

Our Juniors were treated to an impromptu visit with Brad Jacobs last week. He was practicing at Leduc prior to his participation in the Service Experts Shoot-out Mixed Doubles Event that we proudly hosted last week, November 17-20.

He shared some valuable words of wisdom with the gang as they got ready for their games.

Hoodies & Membership cards

If you haven't yet picked up your hoodie or membership card, please speak to a coach or the club manager at your next session.

- Your Membership cards can be used to receive 10% off at any of the Sticks & Stones locations in the LRC (CANNOT BE USED FOR ALCOHOL PURCHASES)
- Plus, if you curl at another club, this membership can be presented if needed to prove that you have paid your \$13 Curling Alberta fee.

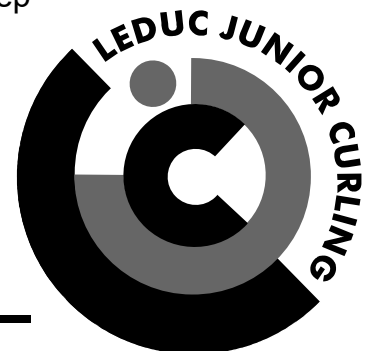

Non-Competitive Junior Spiel

REGISTRATION NOW OPEN ON WEBSITE

Our non-competitive junior bonspiel is February 3-5, 2023. We were asked by Calmar to move ours so that teams could go to both events if they chose. We will have three (3) divisions this year...U18, U15, U12. The draw times and schedule will totally depend on registration. We will keep you posted!

We have started the initial planning of the event. There will be a prize table, raffle, snacks and one meal provided.

PINTY'S Grand Slam of Curling

Rose City Curling Club in Camrose will once again be hosting a major World Class Curling Event, the Pinty's Grand Slam of Curling (GSOC) running from Jan 10 to 15, 2023 in the Encana Arena. The event will include the top 16 Women's and the top 16 Men's curling teams from the World Curling Team Ranking System.

...AND OUR JUNIOR PROGRAM HAS BEEN INVITED FOR FREE!

We have a confirmed reservation for tickets to the Friday, January 13 4:30pm draw.

Please contact Caleb Boorse at vp@leduccurling.ca if your child would like to come. We will require some chaperones but those numbers will depend on the number of our young curlers attending. So, please include your availability and we will let you know closer to the date.

A message from Linda Smith at EYCA

I wanted to let you know that registration for our second half of the 2022-2023 season is now open!

Any "new" teams that enter play for the second half of the season will be given a record of 2-2-1.

Registration will close Dec 23, 2022 at 12:00pm. We will also be opening registration again to try and run our open doubles league (minimum 8 teams to run). Registration can be made on our website www.eyca.ca.

If you have any questions, please feel free to email me at admin@eyca.ca.

Last Day of CURLING 2022

Our Fall Session is quickly coming to a close. We will have a fun evening with the kids on the last day of curling tentatively on December 14. Some fun on the ice and then a pizza party upstairs at Sticks & Stones!
