

Restrictions Exemption Program (revised)

Starting **September 24, 2021**, there are some revisions to the REP.

The Board of Directors of Leduc Curling Club (LCC) continue to follow the Restriction Exemption Program (REP). We will require proof of vaccination in order to move forward with our season. Proof need only be shown once to our manager, Andrea Procter, the Privacy Officer. We will not be collecting any paperwork, only a record of your presentation of documentation.

This means that LCC will be required to ask for proof of one of the following in order to participate in our club activities:

- Has proof of double vaccination prior to October 25, 2021, proof of a single dose would be considered acceptable as long as the dose was given two weeks or more before the time of service.
- Has documentation of a medical exemption; or
- Has proof of a recent (within the previous 72 hours) negative COVID-19 test (either PCR or Rapid Test). The test must not be from Alberta Health Services or Alberta Precision Laboratories.

Youth activities and Youth Participation

- For the purposes of this program, a youth is someone who is under the age of 18 years of age.
- Youth participating in youth activities in a facility that is participating in REP are not required to be screened as part of the REP.
- Parents who are required to support youth in their activities (e.g. parent and tot groups) would be required to follow REP requirements in order to attend.
- Youth are subject to physical distancing at all other times when not engaged in the physical activity (e.g. locker rooms, common areas etc.)
- **If youth wish to access other amenities beyond youth-specific sports, recreation or performance activities in a facility participating in REP, for these purposes they will be required to be screened per the REP, as applicable (12+ years of age).**

- Coaches, instructors, trainers, referees etc. for youth activities, who are 18 years or older, are subject to the public health measures or REP requirements in the facility.
- School groups accessing facilities otherwise under REP (for the purposes of K-12 curriculum) are not required to be screened as part of REP.
- Youth under 12 are not required to be screened.

Proof of Negative Test

To enter spaces participating in the Restrictions Exemption Program, people aged 12 and older can show proof of a negative test result.

- Tests must be privately-paid COVID-19 PCR or rapid tests completed within 72 hours.
- Tests must not be from Alberta Health Services or Alberta Precision Laboratories.

Proof of Vaccination

To enter spaces participating in the Restrictions Exemption Program, people ages 12 and older can provide proof of vaccination or documentation of a medical exemption.

- Sept. 20 to Oct. 25: proof of a single dose is considered acceptable as long as the dose was given more than 2 weeks before the time of service.
- After Oct. 25: proof of double vaccination is required.
